## Chairman's message:

### Ch.Malla Reddy, Founder & Hon'ble MP, Malkajgiri

These words by Ch. Malla Reddy perfectly describe our aim at MALLA REDDY ENGINEERING COLLEGE (AUTONOMOUS). Beyond providing a sound education, we wish to provide our students a holistic learning experience for life. Our aim is to teach students to LEARN, not just STUDY. Hence, we strive to travel beyond the boundaries of mere books. We have realized that the future is abstract and unknown but the youth in our hands are real and can be moulded.

Dear students, "You are the nation-builders. You are the movers of technology. You are the agents of change." It is our fervent hope that the years that you spend in MREC (A) would enable you to equip with leadership and managerial skills. We invest our trust on you. You are our safe source and we bank all our efforts on you. We create not the future instead we craft you for the future. There are strong challenges to great efforts but, always remember, great effort bears the sweet fruit of success. We want you to taste the fruit of success once

and for the rest of your life, you will never rest.

"You don't have to be great to start, but you have to start to be great."

Best wishes....

## Principal's message

### Dr. S. Sudhakara Reddy.

Dear All, Technical Education is the backbone of every nation and is the stepping stone for a country to move into the niche of a developed nation.

MREC (A) serves the tomorrow's engineers with innovation, creativity, human intelligence and patience. It gives me immense pleasure to welcome you to the creative world of MREC which has very eco-friendly campus and is equipped with state-of-art infrastructure. We have well equipped labs, workshops and library to help students in attaining highest standards in academics, research and professional skills. The campus has adequate sports infrastructure to take care of Sports and recreational activities. We aim to provide an overall development that nurtures them towards becoming strong and focused human beings. Soft skills and educational skills are what the institution seeks to provide every student at the campus itself. The main focus of the Institution is to empower students with sound knowledge, wisdom, experience and training both at the academic level of Engineering and in the highly competitive global industrial market. The infrastructure facilities and state-of-the-art equipments combined with a galaxy of competent, talented and dedicated faculty contribute to an enjoyable and an easy learning experience. We wish the best for all our students, and the members of the institution who reiterate their aims at providing the best in academic and extra-curricular fields. We must believe that success is inevitable where these exist- Foresightedness, Firm Determination, Hard work and Discipline. You are assured that you will be proud of yourself as a confident and successful technocrat after Four years at MREC (A). Once again, we wish all our students and faculty a successful and rewarding career.

Dr. S SUDHAKARA REDDY

M.Tech., MBA., Ph.d., LMISTE, F.I.E, M.I.S.M.E.

## Lifetime Achievement Award

Dr.S Sudhakara Reddy has been selected for the “**LIFETIME ACHIEVEMENT AWARD**” in the field of Mechanical Engineering based on the Expert Committee report and APEX Committee recommendations as per the “VIFA Process Venus International Foundation. Certificate, Bronze medal and memento has been bestowed to Dr.S.Sudhakara Reddy for his exceptional academic research excellence in the area of Mechanical Engineering. He is outstanding role model to all of us and is a fantastic example of how a positive, growth mind-set can help achieve anything.

*Congratulations to our Principal*

## Other Awards:

- Our Principal, Dr.S.Sudhakara Reddy has been received “**Green Hero Award**” by Big FM Radio 92.7 for promoting Big Green Ganesha and eco-friendly ganesha. Big Green Ganesha aims at creating social consciousness towards making one of india’s largest and most popular festivals, ecologically sound.

- Our principal Dr.S.Sudhakar Reddy gave a lecture on “**Quality Assurance in Curriculum Design in Higher educational Institutions:Role of faculty in autonomous institutions**”. This seminar cum FDP conducted by KITS,Warangal during 19th to 23rd July 2017.

Our beloved principal **Dr. S.SUDHAKARA REDDY** as an alumni of **KITS (KAKATIYA INSTITUTE OF TECHNOLOGY AND SCIENCE),WARANGAL**, donated Rs **15000/-** for the establishment of auditorium in the institute. The genorosity of our principal is highly commendable.

“we make a living by what we get, but we make a life by what we give”.

## GANESH CHATHURTHI CELEBRATIONS

Ganesh chsthurthi is also known as Vinayaka chavithi is one of the important festivals celebrated through India with a great devotion. The festival is celebrated with much fervour for eleven days. It starts with the establishment of idols of Lord Ganesha on the first day to immersion of the Lord's idol on the eleventh day. This Ganesh chaturthi is all about the celebration of art and culture, song and dance, custom and tradition. Anchor and Indian film actress Jhansi has participated in this **Massive Bucket Immersion** at MREC (A). **Dr.S Sudhakara Reddy,Principal** and other eminent personalities have actively participated and made the celebration of festival grand success.

## RENOVATION OF PLACEMENT CELL

An Inauguration is a time of celebration and anticipation, a moment when an academic institution can affirm its past define its purpose and interprets its role to a wide audience. The placement Cell has been inaugurated by the chairman Ch.Malla Reddy Garu and Dr. S Sudhakara Reddy Garu. The aim of the training and placement cell of MREC (A) is to place the students in competitively good companies by identifying their knowledge skills, attitude matrices of every individual student, creating job profiles for them, formulate sequence of activities to meet training schedules for appropriate placements.

The objective of the Placement Cell is to place all eligible students in reputed IT and core manufacturing, infrastructure companies right at the campus itself. To achieve this Placement Cell is liaises with various industrial establishments, corporate houses which conduct campus interviews and select students from all disciplines. This Placement Office provides the infra-structural facilities to conduct group discussion, tests and interview besides catering to their logistics.

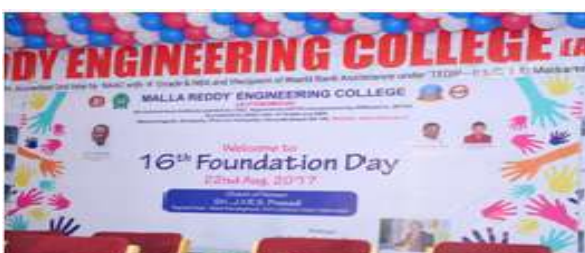

## TEACHER'S DAY CELEBRATIONS

“ The teachers are those who help us think of ourselves”

All across the world, Teachers day celebrations are undertaken to honor teachers for their sincere efforts to impart their knowledge to their students. By having celebrations on Teachers 'day, we convey the message that we care for our teachers just as they do. Teacher's Day is celebrated on the 5<sup>th</sup> September in honor of Dr. Sarvepally Radhakrishnan. Before becoming the first vice-president and second president of India, he was more importantly, a respected scholar and teacher of philosophy. Teacher's Day is like an occasion and opportunity to pay tribute and gratitude to their teachers for their continuous, selfless and precious efforts in shaping the future. Teachers prepare their students to tackle any situation of the life through knowledge and patience. Teaching profession is a profession of great responsibility than any other profession. It has a great impact on the growth, development and well being of the students and nation.

## MREC 16<sup>th</sup> FOUNDATION DAY

Malla Reddy Engineering College (MREC) was started in the year 2002 under the chairmanship of Sri Ch.Malla Reddy who had a great experience in providing qualitative technical education. MREC was started with the approval of AICTE, New Delhi and affiliated to JNTU, Hyderabad.

MREC is now an accredited institute by NAAC with 'A' Grade. The institute has high quality infrastructure and well equipped laboratories in all departments. The college achieved autonomous status under JNTU-Hyderabad w.e.f 2011-2012 and also conferment autonomous by UGC from 2014-15 for a period of six years.

Dr.S.Sudhakara Reddy is the principal of MREC (A) with rich teaching and industrial experience of almost three decades

## FRESHER'S DAY CELEBRATIONS

The aim of conducting Fresher's Day is to make juniors feel welcome and interact with them. The new academic year brings happiness and joy with the arrival of the juniors. Welcoming these hundred odd a bright faces to an uncharted ocean of knowledge, fear and anxiety are bound to creep into this novice minds. In the program chairman, Ch.MallaReddy , and Principal, Dr.S.Sudhakara Reddy have heartily welcome the fresher students and ensure that they will do everything possible to equip the students with best possible teaching resource, practical exposure and training methods so that students are able to shape up their life and career for challenging world out there.

# Department Of Electrical & Electronics Engineering

## Activities Done:

- ❖ Dr. Krishna Vedula, Professor and Dean, Emeritus University of Massachusetts Lowell, USA, has visited our MREC campus and spoke to II and III year students of EEE Department on the topic “Engineering Education Through Active Learning” on 4<sup>th</sup> August 2017.

## Workshop/FDP:

- ❖ A workshop was conducted Hands on Training on “Robotics” on 27/7/2017. In this workshop around 60 students have participated.

- ❖ A workshop was conducted on WIE, Inauguration of **Women in Engineering Student Branch Affinity Group SBA-66151** on 03/07/2017 sponsored by IEEE. In this program almost 120 students have participated.

- ❖ Mr.P.Kamalakar, Assoc Prof has attended Faculty development Programme on Outcome based Education on 1-5 July 2017 at Vasavi College of Engineering, Hyd.
- ❖ Mr.D.Ramesh, Asst Prof has attended Faculty development Programme on Outcome based Education on 1-5 July 2017 at Vasavi College of Engineering, Hyd.
- ❖ Dr.N.Rajeswaran (Professor) has attended a conference entitled Summit in the year 2017 at Goa.
- ❖ Dr.M.Lakshmi Swarupa has attended a workshop of IUCEE – EPICS from 25-27 July 2017 at Purdue University, USA & IUCEE.
- ❖ Dr.N.Rajeswaran (Professor) has attended a workshop of IUCEE – EPICS from 25-27 July 2017 at Purdue University, USA & IUCEE.
- ❖ Mr.Ch.Narendra Kumar (Assoc Prof) has attended a workshop entitled “Empowerment coaching for facilitator” on 29 June – 3 July 2017 sponsored by TASK-TATA STRIVE.
- ❖ K Chestawi (Asst Prof) has attended a seminar titled “Design and Energy consumption of Electric Vehicle” on 18-19 August, 2017 at Sphoorthy Engineering College, Hyd.
- ❖ Dr.M Maheswari (Prof) has attended a seminar titled “Design and Energy consumption of Electric Vehicle” on 18-19 August, 2017 at Sphoorthy Engineering College, Hyd.
- ❖ Dr.S Arumugam (Prof) has attended a seminar titled A New bidirectional DC-DC converter for Electric vehicles applications on 18-19 August, 2017 at Sphoorthy Engineering College, Hyd.
- ❖ T sanjeeva Rao (Assoc Prof) has attended a seminar titled A New bidirectional DC-DC converter for Electric vehicles applications on 18-19 August, 2017 at Sphoorthy Engineering College, Hyd.
- ❖ Sunanda (Asst Prof) has attended a seminar titled Performance evaluation and energy management system for parallel on 18-19 August, 2017 at Sphoorthy Engineering College, Hyd.

- ❖ Dr. M Lakshmi Swarupa(prof) ) has attended a seminar titled Performance evaluation and energy management system for paraller on on18-19 august, 2017 at Sphoorthy Engineering College, Hyd.
- ❖ T Sai Prathik(Student) has alsoattended a seminar titled Performance evaluation and energy management system for paraller on on18-19 august, 2017 at Sphoorthy Engineering College, Hyd.
- ❖ Venu Gopal(Student) has attended a seminar titled A New bidirectional DC-DC converter for Electric vehicles applications on18-19 august, 2017 at Sphoorthy Engineering College, Hyd.
- ❖ E Mahesh (Student) has attended a seminar titled “Design and Energy consumption of Electric Vehicle” on18-19 august, 2017 at Sphoorthy Engineering College, Hyd.

## Guest Lectures:

- ❖ A guest lecture was conducted on “Job opportunities through GATE” on 7th July 2017.
- ❖ A guest lecture was conducted on “A guest lecture was conducted” on 11th July 2017. The lecture delivered by Mr. Ashish.
- ❖ A guest lecture was conducted on “Stepping Stones of Success in Electrical Engineering” 13th July2017. The lecture delivered by Mr. G Anil Reddy.
- ❖ A guest lecture was conducted on “Job opportunities in Electrical Engineering” on 14th July 2017. The lecture delivered by Mr. Amit Rao.
- ❖ A guest lecture was conducted on “Programming in C Language” on 30th July 2017. The lecture delivered by Mr.Sarfaraj.

## Publications:

- ❖ A paper published the paper entitled “Noise Removal In Brain MRI Image in the journal “International Journal of Latest Trends in Engineering and Technology” by N. Rajeswaran, C.Gokilavani, S.Arumugam and V.Ramaraju.

## Other Activities:

- ❖ WIE Organized STAR Program in Government School at Bollaram, Hyderabad with 10 volunteers.

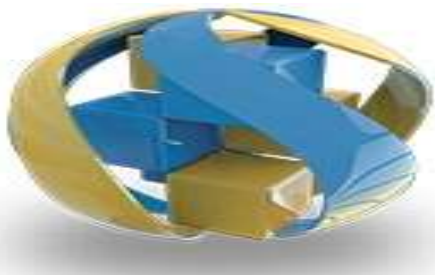

# Electronics & Communication Engineering

## WORKSHOP/FDP:

- ❖ The Department of ECE had organized a one-day workshop on “**Internet of Things (IoT)**” delivered by **Mr.Gandhi, Mr.Sivabalan, Mr.Anbuselvam, Embedded Developers, Pantech Solutions. Pvt. Ltd, Hyderabad** on **15<sup>th</sup> July 2017** for the benefit of the final year students. Around 60 students had willingly participated and interacted with the guests in the workshop. The main goal of the workshop was to foster a discussion on the different approaches used by companies and standards developing organizations to accomplish interoperability at the application layer
- ❖ A one-day workshop on the topic, “**Internet of Things (IoT)**” on 22nd July 2017 and 7th Aug 2017.
- ❖ T.SURENDER REDDY and B.SRINIVAS have attended a Workshop on the topic” **DIGITAL VLSI DESIGN**” from 12th June 2017 to 17th June 2017 at MLRITM, Hyderabad.
- ❖ P.INDRANI(Assoc Prof) has attended a Five Day Induction program on “**HUMAN VALUES**” at JNTU-H from 27-06-2017 to 1-07- 2017.
- ❖ T. SRINIVAS REDDY has attended a five days workshop on “**OUTCOME EDUCATION BASED SYSTEM**” at VASAVI ENGINEERING COLLEGE, Hyderabad from 1st May 2017 to 6th may 2017.

# mechanical engineering

- ❖ Department of Mechanical Engineering has conducted a guest lecture on the topic “Awareness Program on Design Software” delivered by P. Shiva Kumar on 31st July 2017.

- ❖ T Jeevanandam (Asst.Prof) has attended Faculty Enablement Program on “**Facilitation Skills**” and secured B+ grade conducted by Infosys Limited at Infosys Hyderabad Sez from 24th July to 28th July 2017.
- ❖ Few of our faculty members have attended a workshop on “**Mathematical methods and Solid state physics**” from 24th July 2017 to 28th July 2017.
- ❖ Dammu Betty Beulah,(Asst.Prof) has attended Business English Certificate (BEC) training program on 2nd and 3rd of August 2017.

- ❖ **Parth Shah** newly joined Softs Skills Trainer has attended **Business English Certificate (BEC)** training Program on 2<sup>nd</sup> and 3<sup>rd</sup> of August 2017.
- ❖ **T Jeevanandam** (Asst.Professor) has attended a five days Induction program on “**A Five Day Induction Program on Human Values.**” at JNTU-H conducted by AICTE from 27<sup>th</sup> June 2017 to 1<sup>st</sup> July 2017.
- ❖ Few of our faculty member have attended a workshop on “Refresh course on recent trends in physics of material science & technology” from 17<sup>th</sup> July 2017 to 5<sup>th</sup> August 2017.
- ❖ **Hemachandra** (Asst.Professor) has attended a five days Induction program on “**A Five Day Induction Program on Human Values.**” at JNTU-H conducted by AICTE from 27<sup>th</sup> June 2017 to 1<sup>st</sup> July 2017.
- ❖ **Suresh Kumar** (Asst.Professor) has attended a five days Induction program on “**A Five Day Induction Program on Human Values.**” at JNTU-H conducted by AICTE from 27<sup>th</sup> June 2017 to 1<sup>st</sup> July 2017.
- ❖ **Venkat Ramulu** (Asst.Professor) has attended a five days Induction program on “**A Five Day Induction Program on Human Values.**” at JNTU-H conducted by AICTE from 27<sup>th</sup> June 2017 to 1<sup>st</sup> July 2017.

## Orientation Day Program:

Orientation Day Program was conducted for newly coming first year B.Tech Students and their parents around **2,000** members. The most important task you want complete at Orientation is to get acquainted with college life. Orientation gives you the opportunity to make friends, get acquainted with hostlers, purchase text books and become comfortable with navigating the campus. **Dr. S. Sudhakara Reddy**, principal MREC (A) has initiated the program and delivered his valuable speech to the newly joined students on the occasion of Orientation Day.

## Guest Lecture:

- ❖ **Gampa Nageswara Rao**, a Skilled Trainer has delivered a lecture on “**Personality Development**” exclusively for the First year students as a part of a ten day Induction Program
- ❖ **Sampath Reddy** (Assistant Engineer) has delivered a lecture on the topic “**Personality Development Beyond 1 2 3 4**”.
